

Empowering Women Through Quality Agricultural Education at Jijamata Women's College of Agriculture

At [Jijamata Women's College of Agriculture](#), we believe that empowering women in agriculture begins with access to high-quality education. Located in the heart of the Konkan region, our institution stands proudly among the **best agri colleges in Maharashtra**, offering a comprehensive B.Sc. (Hons.) Agriculture program that combines academic excellence with real-world agricultural skills.

As the **first women-only agriculture college in India**, our mission is to create an inclusive, innovative, and impactful learning environment. We are affiliated with **Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth (DBSKKV), Dapoli**, which is a prestigious **agriculture university in Maharashtra** known for its commitment to sustainable farming practices and research-led teaching methodologies.

Being recognized as one of the **top BSc Agri colleges in Maharashtra**, we ensure that our curriculum is aligned with the guidelines of the Indian Council of Agricultural Research (ICAR), offering our students both theoretical knowledge and extensive field-based experience. Our 300-acre green campus in Mandki-Palvan (Chiplun) is equipped with cutting-edge laboratories, experimental farms, and smart classrooms that foster a dynamic and engaging learning atmosphere.

At **Jijamata Women's College of Agriculture**, we focus not just on academics, but also on the holistic development of our students. From participating in NSS activities and inter-collegiate sports tournaments to engaging in agri-entrepreneurship projects and research presentations, our students are encouraged to become proactive contributors to India's growing agri-economy. This well-rounded approach ensures that our graduates are not only academically qualified but also socially responsible and industry-ready.

Over the years, we have grown into one of the most trusted names among aspiring female agriculturists. Parents and students searching for the **top agri university in Maharashtra** increasingly choose Jijamata Women's College of Agriculture for its legacy of discipline, empowerment, and academic rigor. Our faculty comprises experienced professors and researchers who specialize in various disciplines such as agronomy, horticulture, soil science, agricultural economics, and extension education.

What sets us apart from other institutions is our unwavering commitment to **women's empowerment through agricultural education**. We take pride in producing graduates who contribute meaningfully to India's rural development, agribusiness, research, and policy-making sectors. By blending traditional agricultural knowledge with modern science, we help students create a sustainable future rooted in innovation.

If you're a student aspiring to study in one of the **best agri colleges in Maharashtra**, or looking for a trusted **agriculture university in Maharashtra** that puts women at the center of progress, then **Jijamata Women's College of Agriculture** is your destination. Admissions for the

upcoming academic year are facilitated through the Maharashtra Common Entrance Test (MHT-CET) and the MCAER CAP portal.

Join us in reshaping the future of Indian agriculture — **where women lead, and growth follows.**
